

To whom it may concern;In the course of a day I spend approxmatily 6 hours on the road listening to radio,everything from Howard Stern to Rush Limbaugh. The majority of the time I listen to XM. I have had it with the FCC with their higher than thow attitude. XM provides me with alternatives that are not availble on public air waves. Up untill lately I have been a strong Bush supporter but as long as he continues to support FCC chairman (gestapo) Powell , I WILL reconsider. Plain and simple a yes vote on NAB Petition 04-160 will be a no vote from me the first chance I get...
